

“FSC has allowed me to spend quality time with my folks which otherwise would have been spent in daily correspondence with the insurance company...”

—The Lansford Family

We Secure the **MONEY** You Need for Long-term Care.

FSC has secured over \$175,000,000 for families from insurance companies.

Family Solutions for Care files & manages long-term care insurance claims on behalf of consumers and families.

Complimentary Policy & Claim Eligibility Review. When a loved one needs to access long-term care insurance benefits, it can be overwhelming. Often thousands of benefit dollars are left on the table. Let our team help you recognize the information many insurance companies may be withholding from you.

Family Solutions for Care’s experience and expertise serves as a powerful link between the: claimant and family, medical and care providers and big insurance companies.

We know the insurance claims process is complex and requires extensive monthly paperwork. FSC takes care of the ongoing contact with each care provider.
